Michael	Matthews	Peak Associates Ltd	Managing Director	John McDonnell's economic plan will deliver economic growth, jobs and a vibrant new dawn of prosperity for all	Warrington North
Raxa	Mehta	The London Jukebox	MD	The Labour manifesto is the fairest of all parties for working people. As a business owner I don't mind paying more in taxes for a properly funded NHS and social services. Labour is the only party that can bring about equal opportunities for all. I especially like the free university education for all.	Tower Hamlets
sunny	lambe	Basic Business Initiative UK PHOENXI Green Energy	Enterprise Support Agency, Voluntary Sector	It's simply because Labour has an industrial and international trade strategy that will make the British economy grow through development of partnership working relationships with both the EU and rest of the world.	Camberwell and Peckham
Renu	Marley	PHOENXI Green Energy President	Director	Only party care for this Country and its people Economically we can redistribute the wealth	Croydon Central
Graham	Benson	Blue Heaven Productions Ltd The Human Energy Organisation	Chairman	Only Labour can deliver imaginative and progressive ideas to refresh and enliven our economy for the 21st century. Our young people particulaly deserve better than the stagnant, get rich quick ideology long past it's sell by date...narrow and unfair. We must act now and also ensure that EVERYONE pays what they should in taxes not escape via antique loopholes and those with sizeable incomes pay what is equitable in a contemporary, humane society.	Isle of Wight
Ed	Will		Partner	It is committed to helping build the infrastructure that Britain desperately needs to bridge the productivity gap	Wealden
James	BURSTALL	ARGONON	CEO	I believe in a fair Britain for everyone	ISLINGTON SOUTH

James	Noel	JN casting and production	MD	Because I believe in a fair society Where business should pay more .	Islington north Bognor Regis & Littlehampton
Linda	Shepperd	Woodfield Publishing Limited	Publishing	It has the best plan for growing the economy. Labour wants a highly-skilled, highly-trained, highly-paid workforce not zero hour contracts	Hampstead & Kilburn
Gwyn	Thomas	Full Communications Ltd		We need the TLC which Greg Barker promised but could not deliver in the critical process of transition to a low carbon economy - Transparency, Longevity, Certainty	
Jon	Cape	iPower	MD	They are standing for social justice and equality and against wars.	Hampstead and Kilburn
Amir	Amirani	We Are Many	Director (Media)	It is fairer and it will produce more prosperity, and because I trust Corbyn with Brexit more than May.	Arundel and South Downs
Peter	Slowe	Projects Abroad	Chair	It is the only way to achieve a fairer society, to the ill and the needy, to invest in people for the future and to save the NHS from the clutches of greedy people who have no compassion for their fellow man, to whom profit is the only thing that matter.	
Phil	Addison	Aldplumbers	Insignia Global		
Patricia	Farrell	Patricia Farrell	Partners	The manifesto is good for commercial sense	Forest of Dean
Kalim	Rana	ZAKS TRADING LTD	MD	It suits common man, mediocre family and step toward peace in the world. We want peace and harmony. Britain can play positive role.	Warrington North
Sarah	Williamson	Memami Designs	Sarah		Warrington South
Bob	Scrase	Fulprint Ltd	Director	a well-funded, supportive public infrastructure benefits all of us. Small Businesses need to be allowed to grow into the large corporations of the future. The current government focus for too much on appeasing the interests of the large corporations.	City of York
Daniel	Price	DP Consulting Services	Pharma & Medical	The Tories have altered huge amounts of environmental legislation since 2015 for the worse (wind farm planning, solar support, neonicotinoids, code for sustainable homes, ignoring air pollution etc) I like the railway nationalisation. National	Warrington South
Aidan	Bell	EnviroBuild Materials Ltd	Managing Director - Construction	Investment Bank seems a sensible idea I do wish that they'd stop harping on about the bloody NHS though.	Wimbledon Dulwich and West Norwood

Martyn	Davis	Prospect Consultants Ltd	Education		
Irfan	Mohammed	Kashmir Halal butchers			
Rozina	Chaudry	Chauden Ltd	Director	I like to run a fair business and am prepared to pay the taxes I need so that Labour can run a fair society	Altrincham and Sale West
Wayne	Berry	JAW Digital Ltd	Managing Director	I support Labour's manifesto as it makes sense for a small but growing business like mine. I simply don't trust Theresa May. It promises to negotiate an amicable agreement with EU partners that will retain access to the world's largest unified market and maintain the enlightened social policies that the EU has developed. Labour policies will combine fairly distributed prosperity, through encouraging enterprise while respecting workers' rights, with open access to healthcare and lifetime education.	
Anthony	Murray	Murray Consulting	Business and market advice		Richmond Park
Sophie	Brown	Company of Mind			
Taylor	Taylor	Taylor Business Park Ltd	Managing director		Warrington North

Philip	Normal	Philip Normal	Retail, Designer	The Labour Party are truly the only party that support small businesses, the backbone of the UK economy. The Tories, by raising business rates are risking destroying people's livelihoods.	Vauxhall
Lauren	Harrison	Willowford	Partner		Penrith and the Border
su	maddock	SuMaddock Innovation	innovation consultant	Because we need an alternative economic business model that 1.. values social as well as financial assets 2. national economic model should become less centralist and be aligned to devolved cities 3. current contracting environment geared to benefit large corporates not local suppliers or small business 4. more likely to address the need for company law amendments May's proposals are bad for small, fledgling businesses like mine. Corbyn's will help me and those who work for me. And May listens to no one.	Mid Devon
A	Alani	AngelShark Films	Owner / Director		St Pancras
Tansifah	Inayat	Muse Media Ltd	Owner		Stoke Newington
Sir Duncan	Michael	GB Social Housing plc	Director	Many good economic, environmental and social reasons I need strong public services to help support me because I can't afford to pay private health care costs etc. All my flowers come from abroad, through Europe, I need a negotiation team who will do the best for people who want to trade with Europe. I need a party who will spread the wealth of the country to the many, not the few. I am in the service industry so I need ordinary people to have disposable income to look after their gardens. I need to be able to employ skilled horticultural staff. There is a skills gap in Horticulture and the Tories keep cutting FE and vocational education. I welcome a Labour Government	Wimbledon
Jane	Massam	Angelica Flowers and Gardens	owner	There are businesses which thrive in the private sector and others which are natural monopolies i.e. the utilities, which should be run for the benefit of the people with any profits being returned to the exchequer. Labour's proposals are without doubt the best compromise.	Hazel Grove
Jack	Thomas	J.E.T. Industrial Services	Manufacturing	We need a supportive and human approach to our business dealings.	Sefton Central
Duncan	Hannant	Duncan Hannant Associates Limited	Consultant		Rochdale
mike	roberts	NE Hants Chamber of Commerce	LOcla Govt	It is the right strategy and set of outocmes There is an embryonic industrial strategy and a commitment to establishing a National Investment Bank, which can, if properly conceived and executed , play a critical role in repositioning our economy to meet future aswell as existing needs.	Aldershot
Timothy	Whalley	The Heights Investment Co Ltd	CEO		Enfield Southgate
Anne	Kirby	Southwark Council	Councillor		Dulwich and West Norwood
Michael	Robinson	Minds Eye Media	Director	It provides a new way forward for small to medium size business, with refreshing ways to help support the business community. I like the proposal of a National Investment Bank for too long the big banks have worked in cartel to restricting small business growth. • Scrapping quarterly tax returns for businesses and clamping down on late payments is what business need. I cannot wait to see Jeremy Corbyn in number 10.	Hexham
Stephen	Walsh	S.A.WALSH Consulting	Owner and Director	We support people, the NHS and those in Care.	Eltham
Elaine	Foster-Gandey	Designers Sales UK	Owner	They care about the small people	
Kristen	Smitj	Insignia Global Partners Ltd	Healthcare		
Andrew	Clough	The Brew	MD	I believe a fair society where everyone has an equal opportunity to get the best education, health provision and social services makes for a better environment to run a business. After all, as businesses, we benefit directly from haveing a well educated, healthy and stable pool of potential employees to choose from.	Hackney North
Justina	Cruickshank	The Brew	Commercial Director		
Lisa	Rossetti	Positive Lives	Personal & Business	Small businesses need the innovative ideas and support that Labour's new economics will provide.	City of Chester
Bishnu	Gurung	Labour Councillor of London Borough of Hounslow	Councillor	I support labour manifesto because it is benefit for the citizens of the united kingdom specially popular of university tuition fees right off. There are hundreds of thousand university leavers are in huge debts including my son just because of Liberal Democrat policy introduced when they were in coalition government. Suggestion, it would be great help if the party could right off their debts and consider to abolishes their policy if we win. It is hugely effected in their day to day life and stress and on tension. They made our society poorer and under poverty. They made our citizens shame in the world although the U.K is 5th in riches country in the world. I fully support the policy and here by signed.	Feltham and Heston

Peter	Carpenter	Nextgen Clearing Limited	Non-executive Director	Labour's is the only manifesto that will properly fund our public health, education and welfare services, and provide the conditions to successfully grow our economy for the benefit of all our citizens.	Putney
Stephen	Brain	Brain Associates	Director	Labour can manage finance and manage with, and for, the business sector. The Tories have borrowed far more in their time in office than the last Labour Government.	Greenwich and Woolwich
Lucinda	Farrelle	Consult2Construct Ltd	Owner		Cheltenham
Hanif	Khan	Video Shoot Productions Ltd	Director	Reinstatement of the lower small-business corporation tax rate would be very helpful and supportive to my business.	Hounslow
Hamish	Sandison	Labour Business	Chair		Monmouth
Frederique	Prevost	Memoir Lane Ltd	Founder		
Philip	McCauley	Arista Vega			
nick	smallman	Working Voices	CEO	I support raising Corporation Tax as I think there is gross underinvestment in many parts of our economy	Richmond
Neil	Chappell	Breakfast Agency Ltd
